

Bolton TALENT

SOLVING YOUR TOUGHEST
TALENT CHALLENGES

*Are you experiencing difficulty retaining key talent?
Are your performance levels falling short of demand?
Are you experiencing challenges finding the future leaders of your organization?*

In a time where motivating, engaging, and retaining employees is creating risk for all organizations, Bolton Talent helps organizations boost performance and mitigate risk.

BEST IN CLASS PARTNERSHIP FOR YOUR TOUGHEST CHALLENGES

We provide support with human capital strategy, Diversity, Equity, Inclusion and Belonging (DEIB), talent acquisition assessment and optimization, learning and development programs, succession planning and management support and organizational design.

MAXIMIZE THE PERFORMANCE OF YOUR MOST VALUABLE ASSETS

We support leaders and their teams through a wide range of assessments to decode team dynamics. We use 360 developmental feedback, MBTI, Hermann Brain Dominance Instrument, and the Hogan suite to support organizational development interventions and cohort based leadership development programs.

BETTER LEADERS = BETTER ORGANIZATIONAL PERFORMANCE

We provide coaching support to drive positive leadership growth. Using a data centered approach, goals are set by acquiring feedback from key stakeholders and leveraging insights generated through operating style assessments.

IDENTIFY AND LOCATE YOUR IDEAL WORKFORCE

How well does your current workforce support the present needs of your business? Are you positioned to support the future needs of your business with the talent on hand? We help organizations assess, plan, and execute plans to build a workforce that supports the current and future needs of the business.
